

PROGETTO DI DECORAZIONE DI INTERNI  
LOCALE "STIL NOVO"  
VIA SABOTINO - ROMA

**La decorazione modulare deriva dalla scomposizione  
in frammenti di una chitarra classica.**

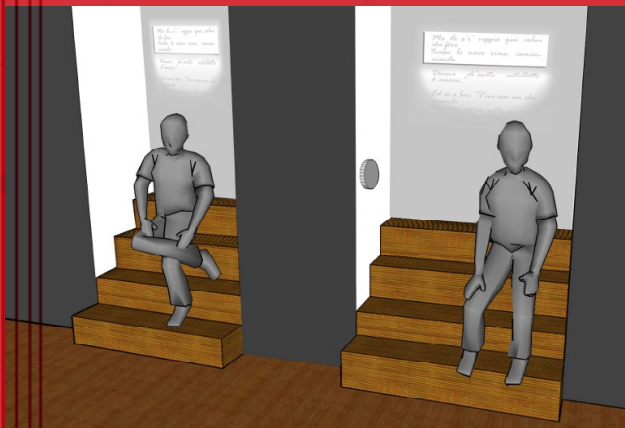

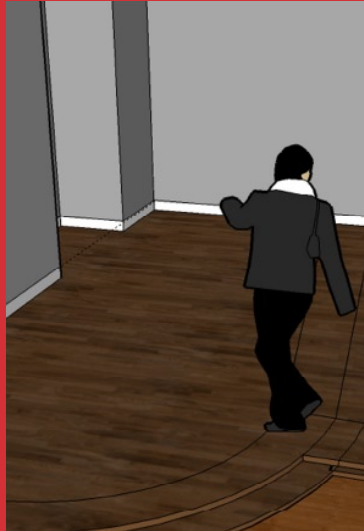

**Disegno delle lampade  
e posizionamento nei punti luce.**

Installazioni permanenti  
progettate in linea con la tematica del locale...

**...per rendere attiva e creativa la presenza del visitatore durante il processo di caratterizzazione dello spazio.**
